INSTRUCTIONS FOR MAKING ESTIMATED PAYMENTS

If you expect to owe at least \$600 in State tax when you file your annual income tax return, you are required to make estimated tax payments using this form.

Determine your estimated tax using the instruction brochure (Form IT-140ESI) available at www.wvtax.gov

Write the amount of your payment on this form. You must pay at least the minimum amount calculated using the instructions to avoid being penalized; however, you may pay more than the minimum if you wish.

Be sure to post your payment in the payment table. If you are not a calendar year taxpayer, you should see the instructions to determine the due dates of your payments.

Estimated tax payments should be mailed by the due date to:

State Tax Department
Tax Account Administration Division - EST
P.O. Box 342
